RFSL Sjuhärad work to ensure that all people, regardless of ethnicity, background, sexual orientation or gender identity, get the same rights, the same obligations and the same opportunities. We work mainly in the municipalities Vårgårda, Ulricehamn, Tranemo, Svenljunga, Mark, Herrljunga, Borås and Bollebygd, but never close the door for anyone.

Our work specifically for new arrivals, asylum seekers and refugees, is called RFSL Newcomers. All LGBTQI people with friends and family are warmly welcome to us!

In Sweden, it is legal to be LGBTQI and to be a member of LGBTQI organizations, you are covered by the Discrimination Act and generally can live openly.

RFSL Sjuhärad arranges, among other things, meeting places, education, individual support and pride festivals. Contact us if you need or want to come to a safe context, to talk or to hang out with other LGBTQI people. Warm welcome!

Visit us: Magasinsgatan 1, Borås. Please call to make sure we are there.
